“ I miss you brother! I've missed what we should have had as a family! I pray one day we meet again in heaven! There we will have what I longed for as a family with you. I hope you and Cody are together in heaven now! I miss you both! The only picture I have of both my brothers and I..

“ Garrett was one of the smartest guys I knew. We were friends all through school and when Dana and I were dating and then married, he was a huge part of my life, until he moved away. One memory I will always carry with me: the three of us drove to the coast so Dana and Garrett could eat crab legs. They ate SO MANY, that the shells were everywhere, including in my hair. And I didn't even eat any! Then before we could get back on hwy 49 to come home, they were both sick. I laughed until I cried. He was always so funny, and a very good friend. Whenever I think of crab legs, Macy Gray music, and Trivial Pursuit, I will always remember him. Dana and I will always keep him close to our hearts. Ann Pickering Powell

“ Even though we had different social circles he was always kind to me when most people weren't. I will remember him for that.
