“ Arriving in Huntsville for the first time to visit the offices of McCormack and Dodge the first person to greet me was George who showed me round the offices and introduced me to many members of the team there. As such we became friends and enjoyed a beer and dinner which was when I also met Regina and at your former home a young Timothy 6 year old boy working hard on his computer.

Since then Doreen and I had the privilege of entertaining you when the "Pipes" family vacation was in England and took you to many different places which George in our facetime messages used to talk fondly about. I also looked after George taking him to sample real ale in England when he came over on M&D business. Happy days from the 1980s

He told me had an aggressive form of Cancer and that his happy place was when he was mowing the grass at the farm. So now dear friend rest in peace and tomorrow at 9.00 pm my time which will be 3.00pm I will raise a glass to departed merit and absent brethren we no longer see.

“ *My deepest condolences go out to the Pipes family for their loss. Regina, my heart breaks for you; I pray that God will send the peace that surpasses all understanding to comfort you. He was so loved and will be greatly missed. I have so many wonderful memories, it's difficult to pick just one; most of all, I remember the laughter and the love he so generously gave to his family and friends. I shall always be grateful to have been a part of his life. - Rocio*

“ *I first met George in 1992 when we became co-workers on a project for the state of Texas. Our families became friends and they joined our circle of Masonic/Shrine friends. What a Blessing he and Regina have been to the Fraternity. He will be missed. Rest in God's Peace, George. Vicki Smith*
