“ Well there is not enough room own here to say something about Glenn , he was my friend and I remembered praying for him at Huntsville Hospital when he was sick first time around “he called me cat”! He and I know why and we will always be the only ones to know why! When Coach cooley died Glenn littles sat with him in the hospital till the funeral home came to pick him up so he wasn't by himself ! Glam and Caleb has a special relationship and calebs not able to discuss it without breaking done to much history and memories ! Glenn came when we called and came when we needed him and rebuilt Shelby's barn and dreams! He was our fiend and I pray for his wife today to have strength and discernment! No other words can be givenown here cause there isn't enough room to fill a life of memories! Go rest Higj one that mtn son your work own earth is done! Go to Heaven a shouting to to the father and the son! I bet coach shook your hand
