“ Gracie has been a part of my life for as long as I can remember. She has been a constant even when we were miles apart. I can remember she made my birthday cake when I turned 5. It was a doll cake and I loved it. I was named after her mother Maxie. Gracie will be missed by many, myself included. I know from experience that no matter how much those of us who love her will miss her, Elizabeth & Kathy and their families will feel a loss that many can not imagine. Elizabeth & Kathy, my love and prayers are with you. Please know that Michael and I love your mom and have a respect for her bar none.

“ I was in Mrs. Kennamer's 4th grade class at Skyline about 32 years ago. She was my favorite teacher of all time. I remember the breakfast we did at school, going to Russell Cave on a field trip etc. She talked about granddaughter Sharion all the time!! When I got married she gave me a set of Christmas dishes cause she knew how much I love Christmas. I loved this woman
