“ *Grady Bennett was one of the kindest people I've ever had the pleasure of calling my friend. I have never known of his being anything other than the definition of a "Southern Gentleman". Grady suffered so much during his final years on earth, but by the grace of his loving Heavenly Father Grady is now in the sunlight of his Savior's loving arms. We will miss him, but are grateful for his release from his suffering here. Rest In Peace, my dear friend.*

“ Grady and I were Facebook Friends. He always lifted me up with his positive attitude. Everyone knew how much he enjoyed playing hymns at church. If you ever needed prayers, he was the first one to respond. Heaven has gained a very special angel. I will miss you, Grady.

“ ...what can I say...am pretty sure you know what I am feeling inside right now...you always had that thing within you that seemed to now what I was going through on any given day...that's our Mr. GLB...thinking about...you...Miss Priss...Mr. Hades...and know that you will be waiting for me on Orion...when it is my turn...
...until I get there...please watch over my Wife...Corina...and my one year old Son...David...who I lost on my 18th birthday...and understanding why I chose never ever to celebrate my birthday anymore...

...you will always have a place in my heart...

...you sitting in the flower bush in front of your home that you had fallen into...and that little kid on the bicycle riding by and stopping for a minute and saying..."...hey Mister...what are you doing sitting in that flower bush..."...

...talking to you for countless hours on the phone...

...trying to teach you how to count in different bases...

...listening to your stories about Rome Georgia...

...finding out about your life..starting off in Tennessee and ending in Alabama...

...watching the Alabama...Tide...roll with you...

...hearing tales of the antics that you and your friend...Pat T...experienced...

...and just two other things..

...will remember the words of Dr. Seuss...that you taught me..."...don't cry because it is over...smile because it happened..."...

...will remember the words of my 5th grade teacher...Sister Laurentine

... "...is life just the beginning of death...thus making death...the real beginning of life..."...remember the countless hours spent on talking about this...

..always remember...1..4...3..

1 = I...

4 = love...

3 = you...
