“ *Louise and Abby, I just found out about Harlon's passing today. When my brother Bobby passed away in late November, Harlon and I talked for hours, We reminisced about all the softball games we used to play every Sunday afternoon. When I was senior at SHS, I remember Coach Carter letting Harlon play basketball with us during PE. He was a unique person, and I feel I am a better person from having known him. As the days pass, I will be praying for you and your family. Thank God that death cannot touch our memories. Carlos Woosley Land O Lakes, FL*

“ *Abby, I remember meeting your parents when you and John wed. Always enjoyed when your dad would drop by the hospital on his way from work. I will never forget his grin! He was so sweet. Please give my love and prayers to your Mom and all your family. May God bless and comfort each of you! Love you*
