“ *Harold had a beautiful voice and I could always pick out his contribution in the FUMC choir. In later years when he no longer sang in the choir, he would worship on the same pew as I do. I loved hearing Harold sing from the hymnal! He is singing in the big choir now!*

Harold was one of my best friends. We sang together in the church choir and were both widowed at the same time. We worked together to pilot his pontoon boat from guntersville to Scottsboro. What a trip. Harold introduced me to Judy who is now my wife. I lost track of Harold when his health failed, he gave up his phone and moved to Huntsville. Harold was a fine gentleman and I'm proud to have known him. He's missed.
