“ Our hearts are saddened by the loss of Hollice. Hollice was a special blessing in my life. In addition to the honor of Hollice being my cousin, he was a mentor and encourager to me as a youngster starting our school newspaper. Through the years, Hollice was always a cheerful voice on the other end of the phone. Living so far away from family, Hollice always had time to offer a word of encouragement to me in the midst of his deadlines. He was always willing to share his knowledge of the business with me. Although, I told him how special he had been in my life, I wish I had told him more often. Any one whose heart was touched by Hollice, had an enriched life. Our hearts and prayers are with you, Mitch, Jonathan, and all the brothers, sisters and extended family. May you experience the love and strength of the Lord during this difficult time.
