“ *Houston was my friend, we worked together for years at Yulista, we shared a many of lunches together during our time working at Yulista and after he retired. If I remember nothing else about him, he loved his family and boy did he love his food! I hate I didn't find out about his passing till the day after he was laid to rest. Although my heart is heavy with him passing I'm also filled with joy that he is in a better place now and he and his bride can be together again! Rest in peace my friend...*
