“ *God brought a beautiful lady inside and out to Heaven to become one of his Glorious angels , it's rare in life when you can meet someone who truly lit up the room everytime you saw her with her huge smile . You will be missed and are loved so much . My thoughts and prayers go out to all of the family . I know you have the most magnificent wings and are with all the loved ones you cared for so deeply in heaven and I know you will always be watching over everyone that still remains here on earth . Now take those gorgeous wings and fly Granny Arnold . I love you and miss you*

“ Words can't express my love for Granny. I only knew her for 15 years, but in those years, I had the grandmother I never had growing up. She always called me her granddaughter when we went places and it always made my heart smile. I will miss so much about her. Especially the Walmart and hair appointments. Everyone knew granny (she may not have remembered their name, but she knew their face). I will forever grateful and humble from her love. This world wil be different for me without her but I know where she went. I will see her again...
