“ *My grandmother was the best. She was not only my shopping and eating out buddy, she was my mammaw. She read her Bible daily. I could always count on her. I was really close to her. I still can't believe she is gone. God gained a precious Angel. I know she is in Heaven with Papa, brothers, sisters and friends. I will miss her. One happy day, i will see her again.*

“ Dear Cherry and Gail the first memory I have of your precious Mother is her big smile when I was allowed to stay with Gail after church at Aspen Methodist church. I never saw her angry or crying, always smiling. You have so many wonderful memories of her and I know they will sustain you as you move forward. She has left a big hole in your lives, I pray you will draw closer to each other and hold each other up. I love you and all the grands and great grands .
Dear Eloise, I am praying for great comfort from God .She is having a great family reunion. I will hopefully be coming home in the next few months. We will get together when I do.
Hugs all around for all of you. Love, Lynda Roberts Johnson

“ Isabelle was not only my sister but she was my friend as well. She took care of me while I survived colon cancer. She retired from Jackson County Hospital and went with me to Memorial Hospital and helped take care of me for 2 weeks. We lived as neighbors and attended church together and shared memories and heartaches with each other. I will so miss her but she was not going to get well so I am so thankful she is with her family and rejoicing in Heaven Peace for her two sweet daughters, her sons-in-law and her grandchildren. They took such great care of their Mother and Grandmother.
