“ *David,*  
*Just wanted to let you know that I was really sad to hear about your mom. I am not sad for her, because she is in a better place & I know that she is having a blast. I am sad for you and her family because I know for a fact that you will miss her very much. I will say that it gets easier with time, because in time you will focus more on the good times and what a really special person Mrs. Beck was.*  
*I just remember her as such an uplifting & funny person. I always enjoyed being around her & loved going to church at Shipps when your dad & her was serving there. She could always make me laugh.*

“ *Just wanted to extend our condolences to the family. She was the last member of her siblings to pass and she was my father's sister. She was the daughter of John William "Doc" and Elizabeth Rodgers Pigg and the only girl in a household of boys.*
