“ *Sherri, sorry for the loss of your family's Elder. As solid as you are with God, I'm sure you're all well aware that he's now safely on the Other Side with God and those who've gone before. There's an old Native saying: There is no death, only a changing of worlds. He shucked his "skin suit" to let his wings unfurl. In one of Sylvia Brown's books, she says she was told those on the Other Side took a vote as to how old they wanted to look (since there, imagination is the only limitation) and opted for 30; but when they appear to us here, they look as we last saw them! See if anyone can find out what he looked like at 30!! Love you, Niece. Aunt Betty*
