“ *June, Junior is what I called him cause that's what Mom called him. When I was still quit young I would go with him to his shop not because I like oil or grease because I liked to be around him. I'm not sure I had a sense of humor before I started hanging around with him. He would pick at you and you could laugh or get mad, I preferred to laugh and pick back. (Margie Lou) I pick at my own son to teach him to laugh instead of getting mad. He never had a ugly kid though he tried 8 times your all lucky none of you look like Elmer Fudd. This is where I would say something about Keith but I won't. LOL.
We all have lots of good times to remember. I love you all. Mark Lyons*
