“ Irby and Sheila please know that your family and friends are praying 🙏 for you during this difficult time. Just try to remember he’s now reunited with your mother in their Heavenly Home and no longer in pain. After Irby called I said a little prayer and told mama James’s was on the way to be reunited with everyone. Now Grandma and Papa have all their children with them in Heaven. I know that it’s not going to be the same without him because he was always there for his family-friends during their time of needing support or help. Even though you know they’re in a better place nothing is ever the same because not a day goes by that you don’t miss them. His nightly telephone calls after mama’s death helped to keep me not to give up on life and family as he was my support person. You’ll will always be in my thoughts and prayers, Love ❤️ You!
