“ *So sorry for the loss of such a dear sweet lady. We were neighbors with her from 1990 until our house burned in 1997. My sister still lives close to her. We enjoyed taking food to Mr. and Mrs Conley when we cooked big meals and had cookouts. They were wonderful people. She loved when my sister and my children were small she always made sure we brought them Trick or Treating there. Your family is in my prayers. Heaven has received a beautiful angel!
