“ My husband was a wonderful man, loved Gods creations, the mountains, a corn field, trees, hunting, and fishing. He was a gentle, caring man. He lived life to the fullest, never met a stranger, and loved an adventure. And in the end he fell in love with his creator. I will never be the same without him.

“ *God looked around his garden and found an empty space. Then He looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He only takes the best.*

*My condolences to Jarett's family, especially to my sister Julie. He definitely was a great brother in law and uncle to me and my family. We have a lot of great memories of hunting and fishing. Matt and Alena both loved you Jarett.*

*All our love,*
