“ *I was stationed with Clay in Pleiku. He was always quick to respond to emergency situations.*

He loved to serve as DJ and share his music when we were off duty.

I am sorry for your loss.

“ I’m very saddened to learn of Clay’s passing. My thoughts and prayers go out to his entire family. Clay and I were dear friends growing up and spent much time together doing all the things boys did back then. I have nothing but the fondest memories of us spending time at each other’s homes, hanging out at his parent’s shoe shop, going fishing, riding bikes, and many other memories that bring back smiles.

Clay was a dear and loyal friend, but he was also a true American hero. He served proudly and bravely in Vietnam, and although highly decorated, I never heard him mention this after his return from service.

I’m honored and blessed to have been his friend. He and his family will always have a special place in my heart.

My sincerest condolences,

Ken Lewis
