“ Stacy, I learned of the loss of Jerry from the card you sent me which arrived here yesterday. Jerry and Mary were our dearest friends when we were assigned together at 5th General Hospital in Bad Cannstatt Germany. Jerry asked Mary to take care of our baby daughter when Eva got sick shortly after the birth of Beth in 1969. Yes, we go back that far. They were a kind and caring couple that made a difference in our lives. Jerry was my mentor at 5th General and taught me a lot about the hospital. He was the reason I decided to seek a career as a patient administrator. We were both at Ft. Sam as well in the mid to late 70's and had so many good times together. In the last couple years we talked on the phone about once a week. Jerry always called to check on Eva's health. It was always such a welcome call. I will miss Jerry greatly. My deepest condolences.

“ I was so sorry to read of Jerry’s passing. He and I have been friends for many years. We both graduated from UNA (then Florence State Teachers College), and worked together in the college dining room. On weekends (when we didn’t have a ride home to Jackson County), Jerry, myself and other Jackson County folks enjoyed walking around exploring the campus and nearby corn and cotton fields. You could tell we were county kids (even though Jerry lived in Scottsboro)by visiting local corn and cotton fields. The last time I saw Jerry, several other locals who went to UNA, met at Olive Garden in Huntsville for lunch and Jerry came to eat with us. He was a fine man, very caring of others and a friend to all. My sympathy goes to his daughter, grandsons and other friends. I pray God will wrap his loving arms around them, bringing, peace, comfort and understanding.
