“ *Although I haven't seen Jerry in a long time my memories go way back to when his son Chad and my son Chad Blankenship were in Boy Scouts together . We had many exciting nights with those boys it was the best time in our lives to guide these young men in the right path. We froze and got wet on many camping trips. Jerry as our scout leader was always so kind and understanding with those boys he will be missed . I know the Coleman family has grown through out the years but my memory goes out to you Betty and Chad he was a great man with many health issues but I never heard him complain. My thoughts and prayers go out to you guys and I'm sure he's sitting around Gods throne rejoicing and I just bet my son who went home in 07 and he are rejoicing together perhaps reminiscing of those wonderful scouting trips and the fellowship we all shared under Gods magnificent starry nights. Peace be unto your family during these dark days may God bless you and comfort you during this time. Bruce Blankenship*
