“ My sincere condolences to a wonderful family who I have fond memories of growing up together in Larkinsville. I will always appreciate Jr and Wanda helping me make money in my teenage years by mowing their lawns. It was a lot easier than hoeing and picking cotton. The Latham family was not only neighbors, classmates, kinfolks, but lifelong friends. Bill Webb

I was in the Army National Guard with Jerry. In summer of 1965 we were send to Fort Jackson for basic training and that fall onto Fort Leonard Wood for advanced individual training. We traveled together and both trips were a blast. We caught a train from Chattanooga to Saint Louis. By the time we got to Missouri Jerry knew everyone in our coach and everyone know him. He had us all laughing. RIP my friend for I will never forget you.
