“ *We would love to say how sorry for the loss of our friend Bro. Jerry. He was a special person. He had little things that he would say and do that we will always remember. He built use rails for our porch steps one day while we weren't home and surprised us and wouldn't take anything that was love. He had a lot of charity and a good worker for the Lord. He loved the Lord and wanted to make heaven his home and I believe he got to go. We love him very much.*
