“ stanley and carol and family we are so sorry for your loss. sorry i didnt get to come to the visitation with stevie but i know yall understand the reason, rest asure u will see her again in a brand new body free from pain. we came to church at stevenson last year and as we were going in so was she and she was so sweet to us and stevie wanted to know who she was and i was pround to tell him she was my cousin and that yall were her parents. yall raised an awsome daughter. stevie couldnt get over how friendly she was and when she passed away he wanted to know if it was the one who was so sweet to us that day. we love yall and stanley you have always been one of my favorite first cousins. “ Jessica was always so positive and upbeat at work. If I was having a difficult day I would make a point to walk by her desk and everything was brighter. We all miss her with you. Be Blessed. Love and prayers from Roxie Clark.
