“ *I just learned of my sweet cousin and dear friend's passing. Jimi was a special person. We had many days over the years spending time together. I loved her like a sister. We were first cousins and as kids we spent many Sundays visiting each other with our families. As we grew older we married and moved to different cities but we became close friends and would still visit. I knew her daughters and she knew my children, We had great adventures. Even though we never got together often as we both got older we did keep in touch. I know Jesus welcomed her to her eternal home and one day not too far in the distance I will see her again. I love you Jimi.*

“ *Jimi Toth was a best friend that we loved dearly. She was a Faithful Wife, Mother, Daughter, Sister and Grandmother. She was a true Eastern Star along with her departed husband Al. Her husband was her true love and she never got over losing him. She adored her two girls and the light of her life was her Grandson, Miles. When she would visit her daughter in California we would talk and she always bragged about Miles and what a good boy with a lot of manners and she was so proud to talk about that. I will miss our long talks. We never hung up what we didn't tell each other that we loved and missed each other. When she moved to Tennessee, it broke my heart but I knew it was best for her/ Now Jimi is with her Al and I know he was waiting on her with open arms. Rest in Peace my sweet friend. I Love You.*
