“ I sure did love this sweet lady! I have so many great memories with her and Bethanie and the kids! She always had a smile on her face and shared the love of Jesus! She would pray with you about anything and was such a loving woman!

“ Jimi, is my first cousin, but she seemed like another mom to me she's the sweetest lady practically grew up with her,her daughter Rhonda my second cousin we're just like sisters grew up together where you saw one you saw the other Jimi had a heart of gold if you ever needed her she was there on the spot a very good nature,loving lady. she's one of the best. Heaven got a marvelous woman and I know she's up there rejoicing with the rest of the family she lived a long precious life and now to be home I know she's shouting those golden streets, I love you Jimi I'll see you one day but until then sweet lady you rejoice and wait for me at those pearly Gates with all our family I love you sweetheart you're going to be greatly missed that's for sure until we meet again I love you and I know you're in no more pain and happy.
