“ *I loved to be around Jimmy. He was my insurance agent for many years. He came to my house many times and we always chatted it up about anything and everything. When I would see him out in town he acted like I was his long lost friend. Such great memories of a really special man. Prayers for all who loved Jimmy. I know he will be deeply missed.*

“ Jimmy Lee was one of a group of four of us in the Scottsboro High School Class of 1967 that stuck together thru thick & thin. We laughed and cried together, worried about grades and complained about faculty together. In short, we loved each other & lived our teenage years side by side. Jimmy Lee will always be part of our lives, we will cherish his memory and look forward to the day will walk with him again. Doris, my thoughts & prayers are with you & the children as you go through this season of grieving.
