“ *So sorry Rollo for the loss of your brother. I know the feeling of losing a brother.... but you Rollo cared for your brothers special needs and he knew he could count on you to be there,as he did for many many years of his long life. I feel that y'all shared a connection that no one else could ever understand. I know that your heart is heavy with sorrow right now but remember that Jimmy was God's special child and when he seen the time was fit for him to come home... He lifted him up and set him free to fly. He will be your guardian angel in heaven as you were his on earth. God Bless.*
