“ *I was visiting my mother one day at Cloverdale and they were having a singing. The guys singing asked if anyone had a request. I couldn't see them but I heard someone say, "I don't care what you play as long as it's not Rocky Top". I went in and asked who it was that didn't want to hear Rocky Top and was told it was Mr. Joe. I told him I needed to shake his hand because I didn't like hearing Rocky FLOP either. He laughed, shook my hand and said "Roll Tide!" Mr Joe will be missed.*
