“ *Aunt Fran and J.B., I am so sorry for your loss. It's been many years since I had seen Johnny, but, regardless of when that was, it was such a shock to hear that he has gone on to heaven. My heart goes out to each of you at such a difficult time. You will always have the warmth of memories to ease your suffering, may you find comfort in them. You are in our prayers. I love you.*

“ *Aunt Fran,*

So sorry for you loss. I still remember me, Cheryl and Johnny playing at grannys when we were little.

I know it doesn't seem natural for a parent to out live their child but God didn't promise any of us tomorrow. That is why we need to be ready for death when it comes.

The days ahead will be hard as you try to come to terms with all this. Just know Joey and I will be in prayer for you. I love you and if I can be of any help to you please let me know.

“ Aunt Fran,
It is with a heavy heart that we found out that you lost your son Johnny. The memories of him will forever be with you and you should rely on those to keep your heart warm until you meet again. Our prayers and thoughts are with you. Rely on your family and friends but certainly turn to God at this time. He will be your strength and companion at this greatest time of loss. We love you dearly.
