“ I remember John and Marilyn fom Kwajalein. I worked with Marilyn in the Resource Management Division. I remember they loved boating and scuba diving and golfing, anything outdoors. Jon was the nicest person, friendly and outgoing. He enjoyed his retirement and spending time with Marilyn, his children, grandchildren and family and even in retirement loved being near the beach. He will be missed.

*Our hearts go out to John's family. I had the pleasure of working with John at COLSA Corporation for at least 10 years. John was a true gentleman and just a kind and generous man. It was very refreshing to seek his wise counsel. John was a curious and innovative engineer and always a pleasure to be around. He will be remembered and missed by many. Be encouraged family and keep the faith 🙏.
