“ I am very grateful for the opportunity to have worked with JB. From the moment of his interview, we knew he would be a perfect fit for our team. Little did I know what we were in store for. JB brought such a unique dynamic to our group. We all knew we hit the jackpot in our selection. From his expertise with the job, his unique humor, and that face he always displayed, JB always brought a bright spot towards our workdays. The fact he would sing along with me on some old school 80s songs, I'm really going to miss that. JB really did leave his mark with all of us. I will miss him dearly. Praying God's peace and comfort for the family during this difficult time.

“ Jonathan was such a gift to work with! He was extremely quick-witted and possessed an abundance of knowledge. His sarcasm and humor made everyone on our team smile. He was considerably kind and we will deeply miss him. Praying for his family and friends during this tragic loss.

“ What an amazing coworker he was. I got the opportunity to learn a lot of windows administrator skills from JB. When he wasn't teaching me, he was quick with a friendly joke. One of running joke was about the first time he had boneless chicken. We will surely miss him. To the family sorry for your loss. - DRH

“ I only new JB for about a year, when he and I became coworkers. However, his absence is thoroughly felt. He was always quick to lend a hand when asked, and quick to lend that insidious grin when silently expressing disapproval. I will miss his competence almost as much as his humor. I'm very sorry for your loss.
