“ *Once when I spent the night. Oz had sour cream and onion chips in his hand eating them. Me and Lexi were saying look how high I can kick! and then I kicked the bag and the chips went everywhere.*

I will always miss my father he was amazing he got me and jaxon (my brother) everything we wanted he was kind caring and I always thought he would never leave me when I tell you my heart stopped the day it happened we drives to the hospital immediately and I just hate how the last time I saw his face was when he left the house that night his last words to me were "I love you be good while I'm gone and I'll be home late ok?"
