“ To all of the Family of sweet Joyce Putman , My heart goes out to all of you during your loss of your Dear Mother, GrandMother and Great-grandmother and dear friend. I have loved Joyce for 55 years. My Mother always told me the stories of growing up with the "Twin Girls" from that small community (since they were all about the same age) , and where everyone lived at that time in history and funny stories she remembered.. , and all of the events that used to take place there in that small community, and about all of the families who once lived near Gray's chapel Church and beyond and survived there. I have heard of the hardship days, and the precious stories of old, and the history of the small community of Estilfork and how all of the families were all connected somehow. I Loved hearing the timelines from those days from my Mother . I have to say knowing someone like Joyce gives me a reassurance that there is truly a God who loves through people to touch the lives of others... Ms Joyce was always a Strong person and steadfast in her walk as a Christian and a dedicated Christian to the community of Estilefork and to Grays Chapel Church. She could probably tell me more of my childhood than I know, since she was a witness to that life, of us all growing up in the same community and attending Gray's Chapel church together., boy do I remember when the church was packed out, with My Mother and my aunts singing along with Joyce and all the others that could so sing like angels in the choir... <3 I have often wished that I could have lived the life of Joyce, getting to remain in the same community all of her life, is something I would have loved to have done.., Connected to God's creation in such a serene place that she could ALWAYS call home. Something to be said about that kind of peaceful life in such a peaceful place and now will be played to rest in such a peaceful place. I am thankful to have known Joyce , and the Love she showed me and my family, not many on earth left that was like Joyce and she will be missed by me and so many others . She has left a legacy no doubt, and her memory will forever echo through her family and friends. I love you all and will pray for healing of your hearts during this time of loss. I will not be able to

*attend the funeral, but I will keep all of you in my thoughts and prayers for the coming months. Much love and God Bless you All.
Sincerely Tina Henshaw Carleton.*

“ To Sweety’s children and family, I send my heartfelt condolences and sorrow in the loss your sweet Mother. Sweety has been my good friend for many years. I have precious memories of happier days, when Sweety would call Wayne and me to invite us to special occasions which were held at Grays Chapel Church each year. We always looked forward to these times, when everyone would bring food and we would all eat together and have singing afterward. And once each fall, James and Anthony would spend many hours the night before, cooking a huge pot of delicious chicken stew. Such wonderful times! Sweety and James were God’s special pillars in that church!

I have no words adequate to ease your grief in your loss, but I do know Sweety was a child of God and she is now with James and Anthony. I am not able to be there, but please know you are all in my prayers.
