“ I'm so sorry for your loss Bro. Collis and children/grandchildren and other family.

When I knew Sis. Judy (around 40 years ago I'd guess) she was a very sweet person, but might have only seen her very little since then, if at all. I thought very highly of Sis. Judy and Bro. Collis (although he wasn't a brother at that time). WONDERFUL PEOPLE!

My best memory of Sis. Judy is when she received the Holy Ghost at Tiftonia. She truly died out! If you had saw her you might have thought she was dead, she was just laying there in the altar for a while, just like she was asleep or dead. After a while, when she came to, she was speaking in tongues, that was the first sound that came out of her mouth when she came back to, speaking in tongues! Glory to God, I feel goosebumps just thinking about it and typing this. In the 44 years I've had the Holy Ghost I only remember for sure seeing one other person die out like that (laying in the floor lifeless for a while) when they received the Holy Ghost (which the other one was Bro. George from Brown's Chapel). The memories of both of them are very clear of where they were in the altar, I was so blessed to have been there!

May God comfort you Bro. Collis and your children greatly in the coming days. I love you Bro. Collis and always have thought very highly of you and Sis. Judy from the first time I met you. Again, I'm so sorry for your loss.
