“ *We were so sorry to hear that our friend had passed on. We have known him for 10 years and he was such a sweet man. We come to know him from the singles meetings at Blake Community Center, and Claysville. He always shared garden vegetables and apples with everyone. We had kept in touch and visited from time to time. We will always remember his smile and his laughter. Our deepest condolences to his family. He will truly be missed. “ *I was sad to hear that our sweet Neighbor at Hytop died. We rented his land for about 14 months. It was just me and the kids, but he worried about us. One day, it was so hot outside and I had to mow. I only had a push mower so I started mowing. In a few minutes he was out there mowing for me and I wanted him to stop, because he was elderly and It was so hot. We worked together and got the job finished.*
