“ *I'm floored because I hadn't heard from you in a little while. I know you had tough times and I prayed for you. Will miss your smile, throwing over your college bed when you used me as a practice dummy for Tai Chi...and us laughing about the finger dance...keep me a seat available up there...I still have a lot of God's work to do down here. With much love to you...and your family...until we meet again...Brian "Hiljack" Miller*

“ I am at a loss of words hearing that Kristi has gone to be with the Lord. I met Kristi at Bridgeport Elementary School. I was amazed at the gift she had been given as an Occupational Therapist and the confidence she instilled in the many lives she touched. My prayers will be with her children, her brother and his family and with her precious Mother and Daddy during this sad and emotional time and for many months to come. I love you all, Jackie s.
