“ I guess I could be here writing for daysas most of you know me and Lamonda were high school sweethearts ...we had our whole life's planned out til one day she calls me and saysu won't believe this but I just went to the doctor and we are gonna have a babyme 18 yrs old didn't know what to do but Lamonda ...just said it's a mericle and u can join me or I'll do it by myselfand I could talk forever and ramble on about how much Lamonda loved Carston and ms.bell and Ashley ,Tim , Patricia....and mebut we all know that and if Lamonda could have me just say one thing I believe it would be to not be too busy for your kids , grandparents, people that truly love you....this didn't fit anybody's plan and I can assure u if I could trade places I would in a minuteLove you Lamonda tell Mr Bell(We sure miss his spegetti sauce)
