“ The Families of Jeremy Alsman and Les Alsman Wish the Tidwell Family Girls our deepest sympathy and pray that you find comfort in knowing Lana will see your father Jerry again along with her brother Les Alsman.

I can see them sitting around the dinner table playing a favorite card game together joking around at how someone playing is not helping them "WIN" the game. I remember how they all enjoyed each others company together with someone always saying something about the other and laughing in fun and jester. When the Alsman family got together you can bet it was loud and joyous as Each one of them had something to say that was important at the time. Lana will be missed but never forgotten; She was loved by her brothers and all family members. God Bless you Lana! Tell your Husband Jerry Hi and Her brother Les he is missed as well! We Love you Forever!!
