“ *Brenda, sorry to hear about Larry,s passing, he was always wearing a smile when I had the pleasure of waiting on the both of you at Redstone federal credit union.*

“ *I went all 12 years to school at Spring City w/Larry. One memory stands out is our football game at Lakeview GA in the Fall of 63. Larry was back to punt, as the left tackle I checked my man, & for some reason I looked around a split second before Larry got the punt blocked. His eyes were as big as the moon just before the punt was blocked. He knew that he was about to be creamed. We, the SCHS team, all enjoyed a laugh later at Larry's expense as we eventually won the game 6-0. Larry's smile on this page is what I remember most about Larry. I am sorry for his passing.
