“ *I use to work with Laurel back in the 90's at Kmart pharmacy. I was a teenager when I worked with her and she was very patient, good teacher, and very good at her job. I loved working with her. She was an awesome lady, a wonderful boss, a hard worker and a caring person. She loved coffee and Frenchy. It was sad to hear of passing. Frenchy, I'm sorry for your loss. I know you miss her.*
