“ *Our deepest sympathy is extended to Ann's family. Ann has been our neighbor for a number of years, but I knew her husband and children best. I know Ann was a hard worker, loved having a beautiful yard and took much pride in it. I went to high school with John and knew the children through teaching at Section School. She was a quite, sweet, person who was always happy to see you. I know she is now resting peacefully, and that John was over excited to have her by his side again.*
