“ *I am Linda his daughter in law and I loved that man so much he was a dad to me and I remember all of the talks that we had and the walk abouts that we took around the property. I know that I won't get to have those walk abouts here any more but when I get to heaven I will get to have those walk abouts with him and my Momma. I will always miss him calling me Rosie but I will always remember him and I will miss you Paw and I want to thank you so much for everything that you ever done for me and I will see you one day rest in peace old man and I love you.*
