“ *When my husband and I came to Center Point Baptist church in 2001 we sat behind Leroy and Dorothy. We called them " the tall people " because it was hard to see around them. We got acquainted with them and they became our sweet friends. Leroy and my husband discussed how to grow the best tomatoes. I was blown away when Leroy went to Colorado and shot a bear bringing a picture to church to share .I was standing in the hallway telling others to come see Leroy's bear .He was so soft spoken and kind .Our church with miss him so much. Leroy I hope you have found my husband and y'all are having a great time!*
