“ I always admired Les. He was always willing to talk to anyone, especially about TVA. Les loved his job and enjoyed talking to people. He was one who always took time for you no matter what he was doing. I enjoyed talking to him and always enjoyed our conversation and friendship. I will miss you my brother. Gene Hill

“ Les would talk a lot to me about TVA, where I worked. Gave him some old maps pre Guntersville Lake. Think he really enjoyed them. I had to try some of his tomatoes, Purple Hull I think. They were new to me but very good. Good person.
