“ *Gene was my Stepfather for many years, from the age of 8 until my early twenties. He took me on my first motorcycle ride and taught me how to drive a car. He taught me to find the joy in living simply, and to stand up for what you believe in even if it meant standing alone.*

*Sheila, Joyce, and Barbara - My love and prayers for strength and comfort go out to you*

*Fly High Gene, you're free of the ailments of this world. May you Rest in Peace.*
