“ Bro Leslie was the Mayor for over 20 years at Hytop and I was his Town Clerk for 17 years. He was such a pleasure to be around and work with. We never had a cross word and got along so good. He was such a peaceful man. He would call me from time to time either to tell me he got home from the hospital or just to say a few words . He called just a couple of weeks ago and asked how I was doing even as sick as he was and he said well I just called to tell you I loved ya!! It meant so much. We became buddies working together. Such a sweet special man. Our family loved him so much and are going to miss him.
