Worked and supported her family. Started two different businesses and sold both at a considerable profit. After retiring, took up knitting as a hobby, and ended up making over 500 blankets which she donated to area nursing homes. She took up scuba diving, made over 600 dives all over the world. In conjunction with scuba diving, she became proficient in underwater photography and took thousands of photographs, some of which won awards. In her spare time, she was also into gardening and canned vegetables she grew. She was an avid cruiser and visited many countries along with her family and friends. She never met a glass of wine that she didn't enjoy. Before we were married, she bought her own pontoon boat, invited friends to share her love of water on the Tennessee River at Lucy's Branch Marina. Most of all, she loved her grandchildren and tried to get to every game they participated in. She even bought a tent to protect her from cold weather during early softball season! She enjoyed cooking, and hosted Easter, Thanksgiving and Christmas dinners for family and friends, sometimes cooking for as many as 25 people.

Linda was the most beautiful soul I have ever met. She was intelligent, loving, determined and thoughtful. She lived life to the fullest. She owned several successful business, Accent Human Resources and Personalize It In Stitches. She loved scuba diving, owned her own pontoon boat, loved fishing. Her sons never wondered what they could get her for birthday or Christmas. Yet, she was soft spoken and elegant. She loved her children and grandchildren above all else. She never missed on opportunity to attend ball games, birthdays, graduations, whether it was in Atlanta, Scottsboro or Florida. She was a devoted daughter, sister, mother, grandmother, wife and friend. She will be forever remembered and forever loved.

“ *I have known Linda since the 50's. We went to the same schools and church. We lived in the same neighborhood (Lakewood). We also graduated high school together and will miss her at the class reunions. May she rest in peace. Good bye Linda.*
