“ Lisa was an inspiration to us all during her battle with cancer. One Mothers Day week I told Lisa that she may not have been made a mother by giving birth but to all of us that she looked after, cooked for and was there for at work she was a mother to us. Then I hugged her and told her Happy Mothers Day . She just gave that smile with a little tear in her eyes and wrapped her arms around me in that warm loving hug . She always had a kind word, a hug , a tear and was always ready to listen. She never judged she just listened and was there. She made work fun from us giving her a hard time about snakes to her and I racing across town to get to a meeting . I drove she gave me directions of lights coming up. She will forever be in our hearts and memory . She was loved by all that got the chance to meet her. She will be missed.  
Love you Lisa! May you rest in peace and pain free. Thank you for sharing your time on earth with me.

“ Lisa, Debb and I were the only girl cousins in the Smith family for several years. I remember playing at the cabin at Cheaha State Park. I'm 7 yrs older than Lisa and 4-5 yrs older than Debb. The color photo below was taken at my Dad (Buddy) funeral in 3/14.
