“ *Loretta and I were classmates at PRVHS and we graduated in 1955. Our class has had regular class reunions which Loretta has helped to facilitate, along with David Prince, Senior Class President. I last saw Loretta two years go when her son Scott brought her to our class reunion in Scottsboro. We had a good, long conversation, and I consider her a dear friend! I am sorry that she has left us! My sympathy and prayers are with her family.*

“ *Mrs Harris was more than a school secretary. she was a pillar of the community. Into the students that had her as the school secretary she was like a mama on campus. She loved us and took care of us all as if we was all her own children. That went over into our adult lifehood. We all remained her kids even as we married and had families of our own. She was a secretary, mentor, teacher, friend and a person when she loved you, she truly loves you. I know that is loving being with jack again. We are send our love thoughts and prayers to Scott and Lori and their familys. Alta Edwards*
