“ *I had a lot of great memories of Louise. Many conversations over the years after far apart. She was like a family to ours. Her family was so over by ours and fond memories in Hazel Creet growing up. Love and prayers*

“ *So many wonderful memories shared with Aunt Louise & Uncle Boyd...This was daddy's twin brother's wife..Mom & Daddy are gone, Uncle Boyd gone, & now Aunt Louise..Hope Daddy & Uncle Boyd found a fishing hole & then resting on a front porch laughing talking about old times..Mom & Aunt Louise sharing a cup of coffee & eating mom's famous Coconut pie..I take comfort knowing they are all together & I'll see them soon one day..Sending Love & comfort to my cousins Patricia, Nick, Gail, & Doyle..*

“ To Dot, Nick, Cordell, and all the other members of her loving family, I send heartfelt sympathy and condolences in your loss of Louise. My husband, Wayne Koger, and I, loved all the Garrett family very much. Some of Wayne’s happiest memories were the years he, Buck, and Jimmy spent fishing, listening to the Grand Ole Opry on Saturday nights, and doing all those things teenage boys do! Jimmy and I graduated from high school together. Wayne and I attended many singings and dinners at Grays Chapel. I treasure those beautiful memories. Please know you are all in my prayers.
With love,
Wynness Koger

“ I loved my Aunt Louise (Aunt Sis) dearly and my husband (Randy) and I are thinking about the family and their sorrow. We send our love. Aunt Sis leaves a wonderful legacy for her family. She left big shoes to fill. She will be missed by many, but brought great joy during her time her with us. We will remember her always with fondness. Rest well, Aunt Sis.
